As vehicles become more connected, Toyota is expanding what is possible for audio multimedia and connected services. More than just a dream of the future, these innovations are arriving now with Toyota’s Audio Multimedia and Connected Services. Toyota’s new suite of Connected Services offers an enhanced ownership experience. These Connected Services help provide additional safety and peace of mind.

Remote Connect provides customers with the ability to remotely start/stop the engine, unlock/lock doors, locate their vehicle, enable Guest Driver features, and provide vehicle status alerts.

**Standard on:**
- Audio Plus
- Premium Audio

**Pricing:**
- Trial period: 6 months
- Renewal price: $80.00 annually or $8.00 monthly

Destination Assist gives you 24-hour access to a live response center agent to help you locate a specific business, address or point of interest. If you’re searching for a restaurant, the agent can help you narrow your choices by distance.

**Standard on:**
- Audio
- Audio Plus

**Pricing:**
- Trial period: 6 months
- Renewal price: $24.99 annually

Dynamic Navigation provides customers with the most up-to-date map data, routes and POIs on their embedded navigation system through real-time updates downloaded from the cloud.

**Standard on:**
- Premium Audio

**Pricing:**
- Trial period: 3 years
- Renewal price: $169.00 + dealer labor (for 2 years)

* Service Connect renewal will be included when Safety, Remote, or Destination Assist connected service renewal is selected. Service Connect is not renewable as a standalone product.

** Toyota recommends that owners use the original or manufacturer-approved USB charging or data cable with their respective smartphone.
Audio Multimedia Overview
Products and features for 2019 vehicles and later

DISCLOSURES

1. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.

2. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. Advanced Voice Recognition capabilities vary by head unit.

3. Always drive safely, obey traffic laws and focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. Data charges may apply. See Apple.com and phone carrier for details. Siri is a registered trademark of Apple Inc.

4. Toyota and third party apps/services may vary by phone/carrier and are subject to change at any time without notice; functionality depends on many factors. Select apps use large amounts of data, you are responsible for charges. See www.toyota.com/audiostreaming for details. To learn about Toyota Audio Multimedia data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. Always drive safely and obey traffic laws.

5. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps and services vary by phone/carrier, functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. SiriusXM audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2019 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.

6. Toyota Safety Connect is dependent upon an operative telematics device, a cellular connection and other factors outside of Toyota's control, which can limit the ability to reach the response center or receive emergency support or otherwise limit the functionality or availability of the system. Terms and conditions of subscription service agreement apply. Apps/services vary by phone/carrier, functionality depends on many factors. Select apps use large amounts of data, you are responsible for charges. Apps and services subject to change at any time without notice. See toyota.com/entune for details. To learn about Toyota's data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. Stolen vehicle police report required to use Stolen Vehicle Locator.

7. Availability & accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See Owner’s Manual for details.

8. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio™, and “Arc” logos are proprietary trademarks of iBiquity Digital Corp.

9. Wi-Fi Connect is available on select 2018 and newer Toyota vehicles. Visit toyota.com for vehicle availability. Verizon Wireless is the network provider for Wi-Fi Connect, which uses Verizon’s 4G LTE network to transmit data. Data usage applies. Coverage not available everywhere, see vzw.com. See verizonwireless.com/bestnetwork for details. LTE is a trademark of ETSI. Other terms apply. Up to 5 devices can be supported using in-vehicle connectivity. Verizon Wireless data subscription required upon end of 6-month trial period or use of 2-GB data (whichever comes first). Use of Wi-Fi Connect subject to Verizon Wireless’ Customer Agreement (www.verizon.com/about/privacy/privacy-policy-summary), and data use policies (verizonwireless.com/support/vz-email-legal). Apps and services subject to change at any time without notice. The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.

10. Roadside assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.

11. May not be compatible with all mobile phones, MP3/WMA players and like models.

12. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® tethered with an approved data cable into the USB media port. Apple CarPlay is a trademark of Apple Inc. Amazon Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Alexa functionality is dependent on smart home technology. Use Alexa to access Remote Connect only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Functionality of Remote Connect is dependent on many factors outside of Toyota’s control. Registration and app download are required for Toyota Remote Connect. See usage precautions and service limitations in Owner’s Manual. To learn about Toyota Entune 3.0’s data collection, use, sharing and retention, please visit toyota.com/privacyvts/.

13. Toyota and third party apps/services may vary by phone/carrier and are subject to change at any time without notice; functionality depends on many factors. Select apps use large amounts of data, you are responsible for charges. See www.toyota.com/audiostreaming for details. To learn about Toyota Audio Multimedia data collection, use, sharing and retention, please visit https://www.toyota.com/privacyvts/. Always drive safely and obey traffic laws.

14. Destination Assist is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota’s control, which can limit the ability or functionality of the system. System functionality depends on vehicle connectivity.

15. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota’s control, which can limit the ability or functionality of the system. Registration and app download are required. See usage precautions and service limitations in Owner’s Manual. To learn about Toyota Entune 3.0’s data collection, use, sharing and retention, please visit https://www.toyota.com/privacyvts/. Always drive safely and obey traffic laws.

16. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps and services vary by phone/carrier, functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See toyota.com/entune for details. To learn about Toyota Audio Multimedia data collection, use, sharing and retention, please visit https://www.toyota.com/privacyvts/. Always drive safely and obey traffic laws.

17. Toyota and third party apps/services may vary by phone/carrier and are subject to change at any time without notice; functionality depends on many factors. Select apps use large amounts of data, you are responsible for charges. See www.toyota.com/audiostreaming for details. To learn about Toyota Audio Multimedia data collection, use, sharing and retention, please visit https://www.toyota.com/privacyvts/. Always drive safely and obey traffic laws.

18. Destination Assist is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota’s control, which can limit the ability or functionality of the system. System functionality depends on vehicle connectivity.

19. Information provided is based on the last time data was collected from the vehicle and may not be up to date. System functionality depends on vehicle connectivity.

20. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota’s control, which can limit the ability or functionality of the system. Registration and app download are required. See usage precautions and service limitations in Owner’s Manual. To learn about Toyota Entune 3.0’s data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.
